Dear Harry

You may be interested to know that yesterday the phones at Port Bouvard were ringing off the hook with people enquiring about "The Links" golf course villas at "The Cut", our new international standard golf course at Port Bouvard, thanks to the inserts and advertorial we ran in the 20<sup>th</sup> January 2005 edition of WA Business News.

We are most pleased with the result and we look forward to doing more business with your great paper throughout 2005.

Yours sincerely

**ROSS J NEUMANN**
